Dear Sir,

As you may be aware that 17th Lok Sabha Elections 2019 are slated to be held in the next of couple of months, most likely after the CBSE Board exams, **District Election Office (South)** is gearing up to motivate the voters especially young India through different motivational activities including Awareness Workshop etc. Young voters – *The Future of India* – to enroll themselves in electoral roll, give them sense of empowerment, pride and inspire them to exercise their right to vote during the ensuing election. I do hope that taking part in the world's largest democracy certainly a big achievement for the first-time voters.

Since the highly placed academicians are the true conscious of the country, in tune with the past practice, to especially motivate the academicians, **District Election Office (South)** is organizing a **VOTER AWARENESS WORKSHOP** for the faculties and other academicians / students of the Colleges / Universities, situated in vicinity of District South. I ardently believe that the proposed workshop not only will provide an impeccable experience to the faculty/ academicians / young voters as to how to cast vote on EVMS - VVPATs (Voter Verifiable Paper Audit Trail) and other basic information on the election process but also gives them an opportunity to directly interact with officials from Election Commission of India and Chief Electoral Office, Delhi to clear their unanswered queries about election process, if any.

Workshop details are given below :

Date	:	20.02.2019 (Wednesday)
Time	:	03:30 P.M. onwards
Venue	:	Lecture Hall Complex Indian Institute Technology, Delhi

In view of the above, I urge you to extend full co-operation to our entire District Election Office team in making the workshop a grand success. I shall be very thankful if you could kindly give wide publicity to the above Election Workshop in your esteemed institution, **details are enclosed for your kind perusal**, and encourage your faculty/ students to attend the same in large number with great enthusiasm.

Your valuable co-operation not only makes the proposed event a grand success but also enables the faculty / students, especially first-time young voters, to know their voting rights and give them a morale booster to actively take part in the election process, which is obviously the essence of Indian democracy.

With best regards,

Yours sincerely,

(NIDHI SRIVASTAVA)
