

Enactus

Achievements Year 2024-25

- Presented our flagship projects to the Hon'ble Chief Minister of Delhi, Smt. Rekha Gupta, who lauded Enactus SAC for its impactful social innovation and grassroots entrepreneurship.

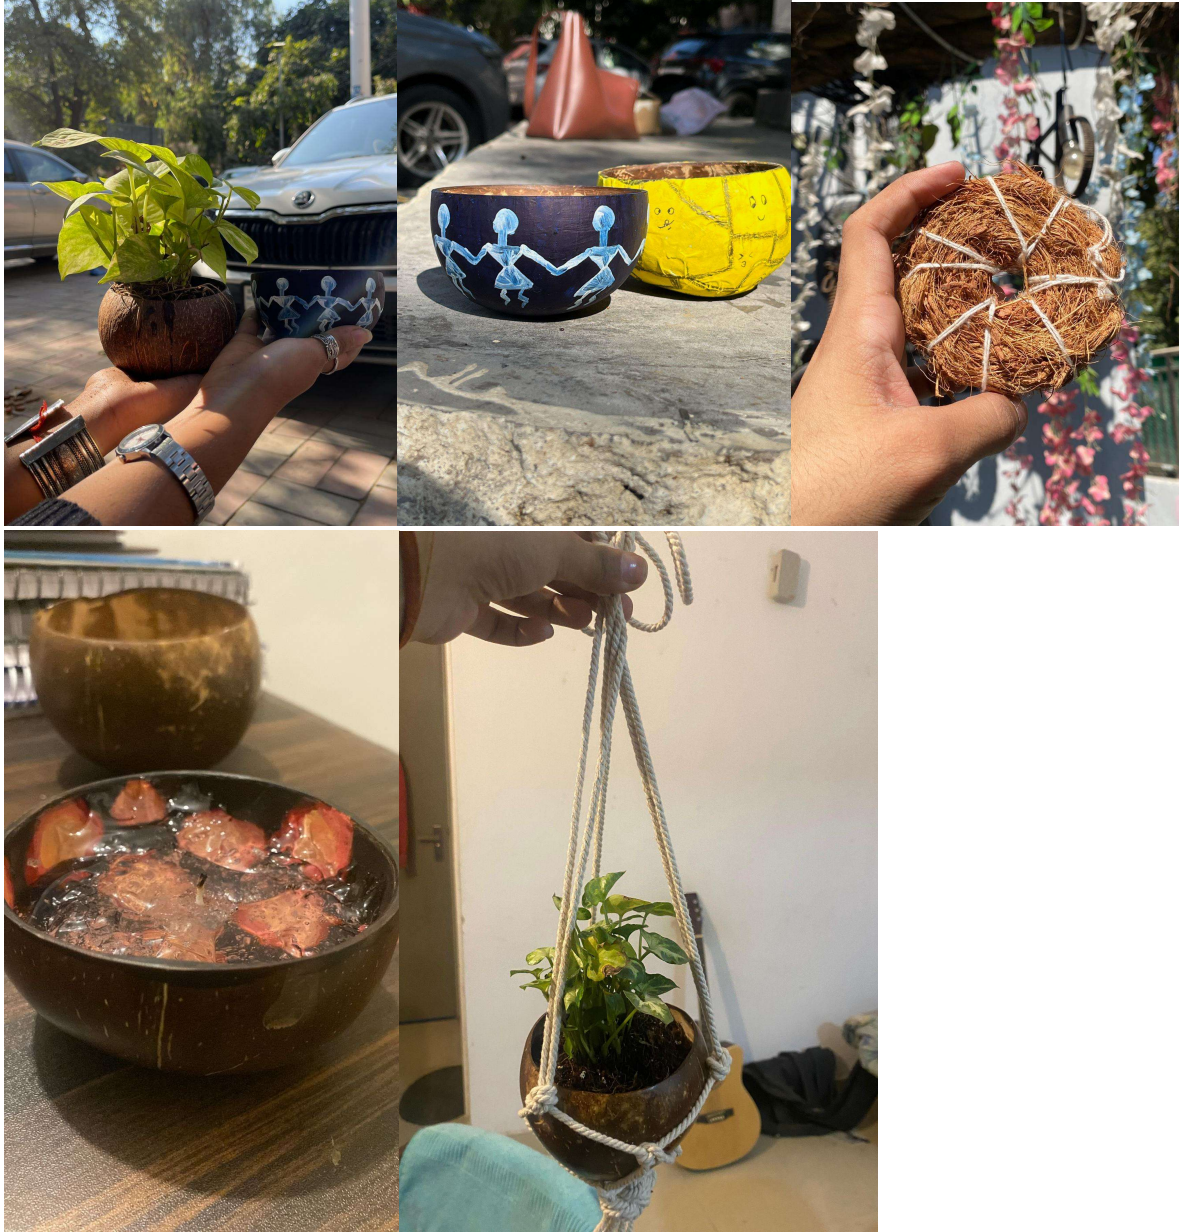

- Launched Project Urvi, focused on upcycling plastic waste into eco-friendly alternatives. Under this project:
 - Upcycled 17,810 polythene bags (137 kg) into usable eco-products.
 - Prevented 301.4 kg of CO₂ emissions through eco-conscious production.
 - Enabled 320 hours of dignified paid work, engaging 5 women in skill-based employment.

- Launched 3 sustainable product lines under Project Ankur- coconut bowls, coconut candles, and planter pots.

Under this project:

- Diverted 151 kg of coconut waste, avoided 70 kg of plastic, and prevented 421.93 kg of CO₂ emissions.
- Achieved an 80% surge in demand through different collaborations.

- Under Project Haritah, launched handcrafted bamboo wind chimes promoting sustainable decor and supporting rural craftsmanship.
