

Enactus

Key Activities

- **Speaker Sessions**

Enactus SAC organizes engaging **speaker sessions** where **renowned personalities** from diverse fields share their **thoughts, experiences, and practical insights**. These sessions offer students direct **guidance** and **inspiration**, effectively bridging the gap between academic learning and real-world application.

- Organised **Invictus'25, the annual flagship fest of Enactus SAC**, to promote collaboration between our NGO partners, beneficiaries, and college students, fostering direct interaction, networking, and opportunities.

- **Case Chaos, Pitch Verse & Treasure Hunt were dynamic competitions** that provided students with a platform to pitch innovative social business ideas.
- **Hosted a panel discussion** featuring renowned personalities, facilitating engaging and insightful interactions between them and the students.
- **Community Engagement and Field Work**

Regular field visits enabled members to interact directly with **marginalized communities**, ensuring that all solutions were **need-based** and **co-created**. This hands-on engagement helped **develop empathy, leadership, and grassroots problem-solving skills**.
