SAC: ANNUAL REPORT 2021-2022

1 INTRODUCTION

Our history is made up of iconic men and women. Their struggles have underlined our national narrative, redefined its history. They were and are agents of change who altered the world, nation, arts, and the society. Sri Aurobindo was such a poet-patriot, a revolutionary and an educationist who tirelessly carried forward our ancient tradition of knowledge by disseminating his philosophical wisdom and leaving behind a legacy of learning for the posterity.

Our college takes great pride in the fact that we are named after such a great spiritual leader. In our collective commitment towards excellence, our institution is guided by the vibrant ideas of Sri Aurobindo who placed his faith in the glory of India's educational values. And with these thoughts today, I welcome you all to the Annual Prize Distribution function of Sri Aurobindo College. It is my privilege to welcome the chief guest, honourable members of the governing body, distinguished guests, my worthy colleagues and dear students on this august occasion.

Our college was established in 1972 and this year marks the Golden Jubilee celebrations of the institution. We have covered a long distance in our journey. With the passage of time, our college has established itself on the educational horizon and is at the forefront today, imparting the best quality education as one of the leading colleges of University of Delhi. Today, students not only from Delhi-NCR, but also from all over the country are a part of the institution and add to its kaleidoscopic colourfulness. The college offers myriad opportunities to students in order to meet the developmental expectations of its pupils and their parents.

As I get into the details of the report, you will know about the multifarious activities that our college undertakes throughout the year. Our commitment has always been about developing a student-centric environment and providing holistic education covering a broad spectrum from academic excellence to extracurricular activities. And we are successfully doing all this despite the constraints of space and infrastructure, operating from a temporary building but working, learning and growing together. I now present an integral part of the college calendar—it's Annual Report.

ACKNOWLEDGEMENT

I express my sincere gratitude to all the people who worked behind the scenes to make the Annual day event a great success. I am particularly thankful to our honorable guests for gracing the occasion with their august presence. I am extremely thankful to members of teaching and non-teaching fraternity for their crucial inputs, generous support and encouragement at all times. We all know that institutions derive their strength and inspiration from the student community. They bring much needed vitality and fresh perspectives in our lives. Therefore, on behalf of the college, I extend my heartiest wishes to our student community for being the catalyst that stimulated us to do our best and I appreciate their efforts to bring laurels to the college, academic as well as extracurricular.

Prof. Vipin Kumar Aggarwal
