ANALYST, FINANCIAL SERVICES - JOB PROFILE

The Analyst profile at TresVista encompasses a two-year program where the individual is not limited to one responsibility and can expect to work on diverse financial projects. TresVista's strategy of having Analysts partner with Associates and dedicate themselves to clients provides them with a rich learning experience. An Analyst can expect to gain the skills of investment banking, private equity, public equity, fixed income, and research, as well as value direct exposure to senior investment professionals – both internally and externally.

TresVista invests time in its Analysts. Analysts at TresVista will complete a comprehensive induction training program that will prepare them to evaluate new investment opportunities, create and maintain market analysis, and work closely with clients on strategic projects. The training enables Analysts to meet the high expectations of the company and exceed those of its clients. (Visit www.tresvista.com for more information)
